Press Release

Team MUROYA 31

New Sponsor for 2010!!

Red Bull Air Race World Championship 2010

Team Muroya is proud to announce Aqualine Ltd., a Japanese water supplier as an official partner for the remaining races of the 2010 Red Bull Air Race World Championship. Aqualine Ltd. will be providing its best quality water and their support to Team Muroya from Rio de Janeiro onwards.

Fans will see the Aqualine logos on Yoshi's aircraft and his flight suit.

Aqualine is renowned for their high quality water products in Japan for both consumers and companies. The natural bottled water “aqua-aqua” is their main brand and the water is carefully chosen from a spring in the Tachikawa mountains, rated one of the best natural water sources in the world.

"Team Muroya is delighted to have the valuable support of Aqualine in our quest for success in the 2010 season and we would like to thank Aqualine for their enthusiastic sponsorship", said Muroya.

The Red Bull Air Race World Championship is a motorsports competition rapidly gaining on popularity and as an exciting test of physical and mental endurance in race aircrafts flown by the world's best race pilots. The high speed, low-level races are held on demanding courses in cities around the globe.
